

115

That's the number . . .

115 ...

That's the number of dollars it takes **EACH DAY** to pay gas and electric utilities for our:

- Church
- Sunday and Armenian Schools
- Charles and Nevart Talanian Cultural Hall
- Shahe Hall

[Note: Parish House not included]

That's \$42,000.00 **THIS YEAR!**

115 ...

It will take 365 individuals each paying for one day to help us meet this financial burden.

In 2010, we ran a successful campaign thanks to your generosity. We ask you to please support this 2012 endeavor. Thank you.

- The Pastor and the Parish Council
